PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 4th October 1968

SUBJECT:—Addressing of communications to the Import and Export Trade Control Organisation.

No. 217-ITC(PN)/68.—Attention is invited to paragraph 303 of the Import Trade Control Hand Book of Rules and Procedure, 1968, wherein it has been stated that all communications addressed to the Import and Export Trade Control Organisation should contain the number and the date of the earlier reference received from the licensing authority concerned, the particulars of goods sought to be imported, the category of the importer, the type of the licence or the application to which the reference pertains, i.e., whether it relates to the grant of the licence or amendment or revalidation thereof or an appeal.

2. It has been noticed that a large number of communications are still being received from the importers without the required particulars as indicated above, with the result that further action thereon is delayed. It is, therefore, reiterated that full particulars of the case should be given in the communications addressed to the Import and Export Trade Control Organisation, in the absence of which it is difficult to give replies to the senders.

R. J. REBELLO,
Chief Controller of Imports & Exports
